Dayananda Sagar College of Engineering
Bengaluru, Karnataka.

EDUCATION

>>B.E. Electronics & communication.

Dayananda Sagar College of
engineering.

(2019-2023) || CGPA : 8.9/10

>>12th Std. PCMB

Sir M V PU College

(2017-2019) ||Percentage : 93%

>>10th Std.

Vidyasagar High School

(2017) || Percentage : 98%

PROJECTS

○ Quiz application using java and spring

Designed a simple quiz application to play quiz of the topic you wish. I have designed the App in VScode and implemented the same using java and spring framework

<https://github.com/mKeerthi06/Quiz-application>

Java, Spring framework, VS Code.

- **Enhancing security of Iot devices** Project about Enhancing the security of IoT devices using

Advanced Encryption Standard(AES)

algorithm and Message Queuing Telemetry

Transport(MQTT) protocol.

○ Power saving security camera

Security camera which activates only if there is any movement, to save power using python. AWS cloud- ML OPs setup on the cloud for emotion detection.

INTERNSHIP

- Learnt about java real time applications like quiz application development using spring (AWT) and also bill manager application—Technofly solutions.

SKILLS

- **Technologies** -- Java, C++, SQL, C, React js.
- **Web Skills** – HTML, CSS, JavaScript.
- **Patterns and practices**—Data Structures & Algorithms, Object Oriented programming.
- **Tools & OS** – IntelliJ IDEA, VS Code, Windows, multisim, arduino IDE, basics of Linux.

CERTIFICATIONS

Java programming Foundation—Udemy. .
